

A Pure Heart

What if I had lived back then
Near the holy town of Bethlehem?
Would I recognize the sign
Telling the world it was time?

If I were a shepherd boy
Would I have followed the light
And knelt before Him, my King?
A pure heart would I bring
To worship Him that night?

Though I did not see the star
That told me Christ was born in lands afar
Will I seek His gentle voice
And with the righteous, rejoice?

If I were like the wise
Searching for Jesus, the Christ
A journey made for my King
A pure heart would I bring
To kneel in Holy Light?

Bridge
Wisemen and shepherds,
Teach me how to seek
Do I make haste
To find my King?

Do I truly love the Lord
Do I seek in faith to live His word?
Will my gift be ready when
He comes to earth once again?

I will set aside my fears;
Trusting His loving embrace.
Submitting all for my King
A pure heart I will bring
In exchange for grace.

His grace.
