

All Things Testify

Each miracle of life,
A signature of Him;
The tender mercies of the Lord
Leave his gentle mark therein.
The scriptures testify
And bear his sacred name.
The Holy One born long ago
Is the Savior still the same.

Chorus

*All things testify
Of the Savior, Jesus Christ.
Every star that lights the sky
Bears the name of the Lord.
All creation by His hand,
Every ocean, every land
Proclaims divinity
Of Jehovah, Heavenly King.*

The spirit whispers truth
Of His great sacrifice.
Because I feel His pow'r change me
I believe in Jesus Christ.
He heals me with His love.
He fills me with His light.
My witness I will add to all
That I testify of Christ.

Repeat Chorus

*All things testify
Of the Savior, Jesus Christ.
Every star that lights the sky
Bears the name of Lord
Let creation by His hand,
Every nation, every land
Proclaim divinity
Of Jehovah, Heavenly King.*
