

Ask In Faith

James 1:5-6

Verse 1

If I am tossed about
On unsteady waves or filled with doubt
I will take all my questions to the Lord
And pray.

Chorus

I will ask in faith.
I will seek understanding;
For I know He will give liberally.
When its wisdom I lack,
I will ask, nothing wavering,
Always trusting the Lord will answer me.

Verse 2

The world has the truth, they claim.
Yet there's only one voice bearing His name
I will go to the Source of brightest light
And pray.

Repeat Chorus

Bridge

There's just one simple way to know
Which is the surest path.
Answers will come through humble prayer
When there is faith enough to ask.

Verse 3

When it is hard to hear
Through all that competes for my listening ear
I will find quiet places where God is
And pray

Repeat Chorus
