

Come to Know Him

Verse 1

Bethlehem, Jerusalem,
Galilee and Calvary;
Dusty roads His footprints in
He came to walk with them.

Fishers nets and stormy seas.
Risen dead and blind to see.
Multitudes upon a hill;
Their empty cups to fill.

Chorus

*Just as was promised He came.
Full of truth, of miracles and love.
How were there some who did not believe?
Wasn't there proof enough?
Yet He fulfilled prophet's words!
Saving all the world from death and sin.
Like men of old, who walked by His side,
We must come to know Him.*

Verse 2

Scriptures testify of Christ;
Sacred words, so pure and true.
As we seek to learn of Him
Our lives are made anew.

Miracles wrought anciently
Still are found for those who see.
Blessing all who will have faith
In His eternal grace.

Chorus

*Just as was promised He comes.
Offering peace, His miracles and love,
Calming our storms and filling our needs.
Yes, there is proof enough.
As we have faith in His words
We are cleansed from every pain and sin.
Then like the ones who walk by His side,
We have come to know Him.*

We must come to know Him.
