

## **Filled With His Light**

Do I dwell upon each worldly thought  
That presses on my mind,  
Or do I seek for much higher things  
And leave such thoughts behind?

Do I often think of Jesus Christ  
And thirst for righteousness?  
Does it show in how I act and speak  
That my thoughts are virtuous?

### **Chorus**

*I will let in His light;  
Make virtue my aim.  
I will always remember  
I bear His name.  
When I strive to be clean and pure in His sight  
I am blessed with confidence  
And filled with His light.*

There is nothing I can trade on earth  
No, nothing to replace  
The peace that fills my heart and mind  
And shows upon my face

When I live as He would have me do  
And faithfully obey  
With all my might the Lord's commands  
And choose to walk His way.

### **Chorus**

I am blessed with confidence  
When I let in His light.
