

His Promises Are Sure

If I listen the Holy Ghost whispers
Telling me the Lord watches above;
Here on earth I am never alone.
I can pray to feel His love.

*I will trust in the Lord; taking part in His plan
And with all of my heart I'll obey His command.
Using faith I will follow my Savior;
Because I know His promises are sure.*

As I choose to heed words of the prophets
I am led by His truth and His light.
Promised blessings of peace become mine
When I stand firm, choosing right.

*I will trust in the Lord; taking part in His plan
And with all of my heart I'll obey His command.
Using faith I will follow my Savior;
Because I know His promises are sure.*
