

If Jesus Came Today

I hear the Word and hold His light.
It shows the way in the darkest night.
Just like the wise, I have truth received.
I'll trust the Holy Spirit and be not deceived.

I'll trim my lamp with oil to spare
For drop by drop, I must now prepare.
I'll come to know and to learn of Christ
A burning testimony of His sacrifice.

Chorus

*Am I ready
If Jesus came today?
Do I try to be
Like Him in every way?
And keep myself pure,
Unspotted from the world,
Would I know my Savior
If He came today?*

I see the signs. They speak His name.
To every land, His return proclaim
If I prepare I will hear Him when
He calls my name to hold me in His arms again.

Repeat Chorus

I'll keep myself pure,
Unspotted from the world,
So I will know Him
If He came today.
