

It Is Jesus

Precious Jesus, Holy Child.
Came to earth so meek and mild.
Light and glory ever bright.
In the stable on that night.
Shepherds hastened to behold;
'Twas Messiah long foretold!
Precious Jesus, finally came.
Blessed be His Holy name.

Chorus

It is Jesus, Lord and King.
And for Him our praises sing!
He is Truth, the Light, the Way
That we worship Christmas day.

Perfect Jesus, Prince of Peace,
In His wake contention ceased.
Humbly showed a better way
Taught the truth, changed night to day.
Came to heal the wounds from sin
For all those who let Him in!
Perfect Jesus, Son of God
May we in His footsteps trod.

Repeat chorus

Gentle Jesus, Holy One
Suffered all to overcome
Pain and sorrow, sting of death;
Brought new hope, eternal breath.
More than just a baby born
Came to mend each heart that's torn!
Gentle Jesus, hope and peace.
Life eternal, thanks to thee.

Repeat chorus

We will worship Him day.
