

Look To Him

Do not fear for He is always near.
Feel at peace; He hears your every plea.
You will never walk alone.

Loving eyes are watching you by day,
And a Father waits to hear you pray
You are His child; his own.

*Remember the plan. His mission was for you,
For Christ is the Truth, the Light, the Way.
Though life is unsure; the stormy seas may rage,
But like scriptures tell He calms the waves.
Look to Him.*

Never fear; for He is with you.
Look to Him; His love is always sure.
And through redeeming grace, you shall live.

If your heart is troubled deep inside,
Look to Him and he will be your guide;
Lighting the pathway home.

*Through Christ you will find peace. His love will comfort you.
Have faith and walk in truth; come follow Him.
Follow Him.*

Look to Him for he is always there.
You will never walk alone.
