

## **More Than A Baby**

More than a baby; our King has arrived  
More than a child, He was prophesied  
With His birth He brings new light  
More than a baby, is born here tonight.

More than a baby, Messiah has come,  
Promised by God, His begotten Son.  
Lowly stable, humble birth.  
More than a baby, gift to the earth.

*More than a baby.*  
*More than a child.*  
*More than a man on earth.*  
*Our King has arrived.*  
*Our King has arrived.*

More than a prophet to teach and to bless  
More than a man; He is Holiness.  
With His birth, He brings true peace.  
More than a prophet; will they believe?

*More than a prophet.*  
*More than a man.*  
*Sent to redeem the world.*  
*Fulfilling God's plan.*  
*Fulfilling God's plan.*

More than a baby, our hope is restored.  
Savior of all, He is Christ the Lord.  
With His birth, He brings new life.  
Let us rejoice! Let us rejoice!

More than a baby; our King has arrived.
