

One Who Believes

1 Timothy 4:12

Like a light shining in the distance
I will live with a glow
Showing all the world what I believe
That the truth I live and know.

Chorus

*I will stand and be counted as one who believes
An example of truth will be what they see
I will walk as my Savior defending the right
As one who believes, I will lead with His light.*

I will live by my Savior's standards
For His strength can be mine
I will fill my soul with purity
And remember I am divine.

Repeat chorus

Bridge

I will be an example
In word and deed
Serve with all my might
The Lord needs me!

Repeat chorus

As one who believes, I will lead with His light.
