

We Seek After These Things

Verse 1

We believe in the gospel,
Understand our great worth,
And in faith we will seek for
Only good upon the earth.

For as we fill our hearts and minds
With all that's right and pure
The light dispels all darkness
Giving hope to then endure

Chorus

*We will seek for the light,
Stand firm in the right,
Seek for goodness and honesty with all of our might;
Walk with virtue and truth
In all that we do.
If it's lovely or praiseworthy
We seek after these things.*

Verse 2

God has spoken from Heaven
But He leaves us with choice.
Will we heed gentle promptings?
The faithful hear His voice.

And He will speak above the noise
The world wants us to hear.
For those desiring safety
The Savior's words are clear.

Chorus

Bridge

We believe and profess
To live the Savior's way;
In doing good to all men
With courage, we'll obey.

*We will seek for the light,
Stand firm in the right,
Seek for goodness and honesty with all of our might;
Walk with virtue and truth
In all that we do.
If it's lovely (lovely), if it's praiseworthy (praiseworthy)
We seek after these things.*
