

When Thou Carries Me

When I am weak
Unable to stand alone; oh please help me
And the weight of the world
Is too much for my aching soul.
Where can I turn for peace?

Then I recall
The answers are found in Thee; Thy holy name
And I fall to my knees
To offer my heart's deepest plea.
Please give me strength,
Please lift my load.

Chorus

*Through thy sacrifice
I find renewed strength.
I can feel Thy love perfectly.
And when I've given all
Thy tender mercies fall,
For that is when Thou carries me.
That is when Thou carries me.*

With faith in thy name
I give Thee my doubts and fears; wilt thou change me?
Every weakness made strong
Through great drops of blood and Thy tears
If I can trust in Thee.

Then as my will
Becomes Thine I am in Thy hands; safety in Thee.
And with all of my heart,
I want to obey thy commands
To show the love
I have for Thee.

Repeat Chorus
