

## **Woman of Christ**

Based on the talk To Young Women by Elder Jeffrey R. Holland

### **Verse 1 (Woman of Faith – Beehives):**

*It is not enough to say I just believe  
Faith is more than words - it is my deeds  
So I will show the Savior that I trust Him  
By walking in His footsteps day by day.*

### **Chorus:**

*I will be a woman of Christ  
As I follow in the path he lights  
Here and now is when I will prepare  
To claim my place as rightful heir  
For I know that I will be empowered  
Through obedience to the laws of God  
I will not deny Him or find myself ashamed  
To be a woman of Christ*

### **Verse 2 (Woman of Truth – Mia Maids):**

*It is not enough to live on borrowed light  
It is up to me to find out what is right  
I have the seeds within to plant a garden  
But what I harvest there is up to me.*

### **Repeat chorus**

### **Verse 3 (Woman of Promise – Laurels):**

*With my agency I will choose to be pure  
So my temple blessings can be sure  
And I will guard my spirit and my body  
For I must be found clean to enter there.*

### **Bridge**

*I will turn from all iniquity  
To show my growing love for Thee  
I will seek the light, ever choosing right*

### **Chorus:**

*I will be a woman of Christ  
I will cherish my place in His sight  
Always keeping covenants I make  
With my God and for His sake  
And I know the Lord is there to guide me  
For he hears my prayers and knows my name!  
I will claim my blessings and feel His love for me  
As I become like Jesus Christ*

*A woman of Christ I will be.*
