

You Are His Child

You're not as far away
As you think you are.
There's more to life than meets the eye.
Heaven is so close;
There a Father loves you most
Watching over you as time goes by.

He's just a prayer away
You can speak to Him
And tell Him every thought inside
He is always there
With an answer to your prayer
If you trust and faithfully confide.

Chorus

*For He smiles
Every time you smile.
And His heart
Breaks when yours does too.
And He knows your every need
Before you call His name
Because you are His child
And He loves you.*

When joy is hard to find
Just remember Him.
For He has promised you His light.
Close your eyes and feel
As He whispers something real;
You are precious in the Father's sight.

Repeat Chorus

*You are His child
And He loves you.*
