

A Fortress of Faith

Vs1

A fortress of faith is built as we heed
The words of our prophet dear;
For by the Lord's voice or those whom He calls,
His message for us is clear.

A prophet of God speaks words for our day;
A watchman upon a tow'r
To warn of danger in our way
And keep us safe hour by hour.

Vs2

A fortress of faith is built as we strive
To sacrifice and obey;
For there is no promised blessing withheld
From those who will trust His way.

The covenants made in temples of God
Protect us with surety;
For those who walk this cov'nant path
Claim blessings eternally.

Vs3

A fortress of faith is built as we choose
To ask God, then do His will;
For when we take time to counsel with Him,
His blessings are then fulfilled.

Through prayer we commune with Father above
And humbly we trust His plan;
His answers come to us with love,
And knowledge is giv'n: we can.

Vs4

A fortress of faith is built as we seek
To learn more of Jesus Christ;
For strength will be ours when we follow Him
And live in His gospel light.

Each time we are still to ponder His word
Through scriptures both old and new,
A feast awaits and words of Christ
Will tell us all things to do.
