

But If Not

Verse 1

As I fast and often pray
For blessings that I seek this day,
May God grant me faith to say,
“But if not.”

If deliverance is not God’s will,
I will humbly make this my will, and
May God grant me faith to say,
“But if not.”

Verse 2

Though the answer is unknown
My seeds of faith are gently sown,
May God grant me strength to own,
“But if not”.

If deliverance is not God’s will,
I will humbly make this my will, and
May God grant me strength to own,
“But if not”.

Verse 3

Still, His word I will obey;
I know his ways are not my ways.
May God help me trust and say,
“But if not.”

If deliverance is not God’s will,
I will humbly make this my will, and
May God help me trust and say,
“But if not.”
