

Endure It Well

Verse 1

When trials come,
When the journey seems long,
When the light in my heart grows dim,
Stay thou nearby, carry me through the night;
Show me how I can trust in Him.
Grant me more faith.
Dispel all my fears.
Grant the courage I need to quell all of my doubts;
All that robs me of peace.
Grant me hope to endure it well.

Verse 2

When I feel weak,
When temptations are strong,
When the light in my eyes grows dim,
Help me to feel of my Savior's pure love;
Teach me how to o'ercome with Him.
Grant me more faith.
Dispel all my fears.
Grant desire I need to quell unrighteous thoughts;
Make all weak things be strong.
Grant me pow'r to endure it well.

Verse 3

When years have passed,
When my journey's near end,
When the light of my days grows dim,
Lift up my heart, help me always rejoice;
May I still try to be like Him.
Grant me more faith.
Dispel all my fears.
Grant me virtues I need to quell thoughts that steal joy;
Help me finish the course.
Grant me strength to endure it well.
