

## **I Will Go and Do**

I will choose to be like Nephi  
When a task is hard to do.  
I will seek the Lord in humble prayer;  
Pow'r to see me through.

I will grow my faith and courage.  
Find my strength in Jesus Christ;  
So when darkness clouds the way sometimes,  
I will feel His light.

### *Chorus*

*I will go and do  
As the Lord commands me;  
I will act on revelation  
As I receive.  
For I know the Lord  
Prepares a way  
That I may do  
The things He asks of me.*

I will let the Savior lead me,  
For there's peace when I obey.  
I will trust His holy promises  
In each cov'nant made.

I know that the Lord will bless me  
As I strive to qualify;  
So in faith I'll do the things He asks,  
And with love comply.

*Repeat chorus*

### *Bridge*

*I will go and do. I will follow Christ,  
And find the joy that comes from sacrifice.*

*Repeat chorus*

I will go and do  
As the Lord commands.
