

Joseph's Prayer

I am just a man, why me?
What have I done to honor thee?
This is not the way I planned
I'm not sure I know I can.
A father of the chosen One,
The Savior to be my son.
To work along my side,
Yet have him as my guide.
Is there a need for me, if he's born so perfectly?
Be with me.

Why have you entrusted me
With this great call I ask of Thee?
Please guide me along the way
Help me be like him, I pray
Dear Father, why did you choose me?
Can I be all you say to be?
Please walk along my side,
I need you as my guide.
I'll humbly be the one, to raise your precious son.
Be with me.

I'll humbly be the one, to raise your precious son.
Be with me.
