

Put On Thy Strength, O Zion!

Verse 1

Put on thy strength, O Zion!
Awake, for ye are chosen.
God's light revealed, His word unsealed,
His truth restored once more!

The power of His priesthood
Again on earth presides;
With purpose and authority
In righteousness, abides.

Verse 2

Put on thy strength, O Zion!
Thy mission has been chosen;
To heed the call to gather all
Of scattered Israel.

We'll keep our sacred promise
To share the truth we know,
And be His light to all the world
Wherever we may go.

Verse 3

Put on thy strength, O Zion!
Thy armour has been chosen.
Protecting thee with surety
Through willing sacrifice.

Find pow'r in holy temples;
Let ordinances guide
In claiming promised blessings that
The covenant path provides.

Verse 4

Put on thy strength, O Zion!
Find joy, for ye are chosen
To serve, prepare, as faithful heir
For Christ to come to reign!

Bring forth the cause of Zion;
Unite in heart and mind.
Create a refuge from the world
Where those who seek shall find.
