

## **Help Thou Mine Unbelief**

Mark 9:24

Faith, where are you? I am wavering.  
Doubt, be gone. You hide the truth.  
I feel lost in clouds so thick it's hard to breath.  
I wish the haze would lift and clear my view.

God in Heaven may I hear thee?  
There's emptiness without thy sound.  
As I strain to hear each gentle word of Thine,  
May echoes of Thy perfect love be found?

### *Chorus*

*Help me trust in thee.  
Teach my heart to believe that faith can heal my sight.  
Thou healed the blind before; wilt thou make me more?  
Help thou mine unbelief, Lord, walk with me into light.*

Hope, where are you? There is darkness.  
Fear, be gone. You hide my way.  
On this road of life, I've stumbled many times.  
I'm reaching for Thy hand, Dear Lord, I pray.

God in Heaven may I find Thee  
In all the goodness that I seek?  
Though my light is dim, I recognize thy face  
Yet I feel only glimpses of Thy peace.

### *Repeat Chorus*

I stand upon the doorstep of believing.  
Caught within a moment of fear.  
Not sure if I can knock, forgive my doubting heart  
Please send Thy reassurance you will hear.

### *Repeat Chorus*
