

Just Hold On

“...Even though we may feel lost in the midst of our current circumstances, God promises the hope of His light—He promises to illuminate the way before us and show us the way out of darkness.....The very moment you begin to seek your Heavenly Father, in that moment, the hope of His light will begin to awaken, enliven, and ennoble your soul.” ~ Elder Dieter F. Uchtdorf

I am waiting for the peace
He promised He would send;
I am waiting.
And I am waiting for the light
To help me see a way
Through the storm.

And when I feel unsafe and lost
Amid uncertain weather,
He sends a voice that gently calls to me:

Chorus

*Just hold on
Even when the winds are blowing strong
Let His strength be yours. Just slow and steady row
Safely to the shore, you'll make it there, I know,
If you hold on to light, His light.
Keep your eyes on Christ throughout this night.
Even when there's fear; especially when there's doubt,
He knows what you need and calms the waves somehow.
Just hold on.*

I have heard a thousand times
Yet, why do I forget
He is with me?
So I will find a little faith
That He will comfort me
When I pray.

But if it seems that Heaven's closed,
And my prayer feels unanswered.
Still, there's a voice that whispers peace to me:

Repeat Chorus

Hope, where is hope?
Please illuminate my way
With hope, promised hope,
Of a brighter day.

Repeat Chorus
